- Enter an appropriate First and Last Name. This information will be used in all subscriber agreements, filings, and email correspondence.
 - Enter a User Name that is at least 8 characters and does not start with a number. Additionally, all special characters other than “_” are not allowed.
 - Enter a Password that is at least 8 characters long and does not start with a number. Passwords must contain at least one each of an upper case letter, lower case letter, number, and special character. After specifying your password, please confirm your password for accuracy.
 - **Remember to save your User Name and Password for future reference!**
 - Enter your email address and then confirm your email address for accuracy. If your email address is entered incorrectly, you will not receive the email needed to complete your account setup. ***Please note that your email address must be unique. If your email address is already tied to an existing account, you will be prevented from creating a duplicate account associated to that same email address and you should use your existing account instead. If you have an existing account but cannot remember your User Name, see [What if I forgot my user name?](#)***
 - Enter the Validation Code exactly as entered in the green box. The Validation Code is case sensitive.
 - After checking that you have correctly entered the information, select the Next button.
2. On the next screen, enter your newly created User Name and Password and then select the Generate PIN button. This will generate a security PIN that will be emailed to you for purposes of confirming your email address and continuing the account registration process.

User Account Setup

Step 2 of 4 :

Please enter your User Name and Password and then select the Generate PIN button. This will email you a PIN needed to complete your Account Registration.

User Name:

Password:

3. Review the information that displays on the next screen. It will confirm that a PIN email ("Subject: CTDEEP eFiling – Account Security PIN") has been sent. Select the OK button.

If you do not receive the PIN email, check your junk/spam folder. If it is not there, please contact your IT department to request they check their junk/spam folder and add DEEP.Helpdesk@ct.gov to their whitelist. The PIN is only valid for 24 hours after which time a new PIN will need to be generated (see [How do I generate a new PIN number?](#)).

User Account Setup

An Account Security PIN email has been sent to your specified email address to confirm your account and continue with your account setup.

- Open the email with subject CT DEEP eFiling - Account Security PIN
- Follow the link in your email
- Type in or copy and paste the PIN from your email
- Your PIN is only valid for 24 hours
- If you do not receive the email, check your junk or spam folder

To help ensure you receive the email:

1. Add DEEP.Helpdesk@ct.gov to your email contacts list or whitelist
2. Request your IT department staff add DEEP.Helpdesk@ct.gov to their email whitelist

Attention Firefox and Chrome Users: The OK button will not automatically close this tab. Please close this tab manually.

4. Open the PIN email (see example below); it will contain a Security PIN.

Copy this PIN and then select the “Account Manager” link within the email.

Your Security PIN to validate your Connecticut Department of Energy & Environmental Protection (CT DEEP) eFiling user account is 570077. Please use this PIN to continue your account setup here: [Account Manager](#).

This PIN is only valid for 24 hours. If your PIN has expired, go to [Continue Account Setup](#).

Please note that you will not be able to log into the DEEP eFiling system until you complete the entire account setup process.

Thank you,
CT DEEP

What if I do not receive the email with the PIN number?

You should receive your PIN email within a few minutes of generation. If you do not receive the email, then the email has likely been blocked by your IT department or email provider. First, check your junk or spam folder. If unsuccessful, ask your IT department staff to check their junk or spam folder.

To help ensure you receive the email:

1. Add DEEP.Helpdesk@ct.gov to your email contacts list or whitelist.
2. Request your IT department staff add DEEP.Helpdesk@ct.gov to their email whitelist.

The PIN is only valid for 24 hours after which time a new PIN will need to be generated (see [How do I generate a new PIN number?](#)).

How do I generate a new PIN number?

A PIN is only valid for 24 hrs. If you do not complete the registration process within 24 hours of PIN generation, you will need to generate a new PIN using the following steps:

1. Go to [Account Manager](#)
2. Select “Continue Account Setup” from the options on the right

3. Follow the directions on the subsequent screens to send a new PIN to your email account (see [How do I continue my account setup?](#) for detailed steps).
4. If you do not receive the email, check your junk/spam folder. If it is not there, please contact your IT department to request they check their junk/spam folder and add DEEP.Helpdesk@ct.gov to their whitelist.

How do I update the email address associated to my account?

1. Log into [Account Manager](#) with your User Name and Password.
2. Answer one of your randomly selected challenge questions.
